

CHAMPIONS ON AND OFF THE ICE

Givebonniestrong77.org

The **Give Bonnie Strong 77 Foundation** congratulates USA Women's Hockey Olympians Kendall Coyne and Megan Bozek on their recent 2017 World Championship victory over Canada!! Proving that they are world champions off the ice as well, Kendall and Megan recently joined a group of over 100 girls' hockey players who came together with their families to help support the **GBS 77 Foundation's 3rd Annual All Girl's Skate** to help fight pediatric cancer. The proceeds from this event were dedicated to the family of honored guest Abby Greene, an 8 yr. old Crystal Lake resident currently battling a brain tumor. The girls also collected dozens of new toys that were donated to the children staying at the Ronald McDonald House near Lurie Children's Hospital. Kendall, Megan and all the girls in attendance are living proof that hockey players "just get it" when it comes to helping other less fortunate children. Thank you Kendall and Megan for leading the way and being such great role models for young girl hockey players everywhere. For those wishing to learn more about Abby and donate to her fight, we encourage you to please visit www.anotherdaywithabby.com.
